

Monika Krysiak

Senior QA Specialist

OWASP Member | ISO 27001 Lead Auditor | Speaker & Author

Senior QA with over 10 years of experience in web applications, APIs, and application security.

I specialise in combining quality assurance with security, performing functional, API and security testing, supporting security reviews and vulnerability assessments, and helping teams build security into the development process. Beyond day-to-day QA, I actively share knowledge through conference talks, university lectures, technical publications, and training. I am also the author of the **SQL for QA** module on the Szkolenie dla QA e-learning platform. **ISO 27001** Lead Auditor, **OWASP** member, and passionate advocate of Secure SDLC.
